

## Eyal Perry

### Full Stack Developer

Karmiel, Israel.

Mobile: +972-54-314-6808

Skype: e.perry.pa

e.perry.pa@gmail.com

### Technologies

C#	Expert
.NET/Core	Expert
Javascript	Proficient
React	Proficient
Redux	Proficient
ReactiveX	Proficient
HTML	Intermediate
S/CSS	Intermediate
Node.js	Intermediate
MongoDB	Intermediate
RabbitMQ	Intermediate
Docker	Intermediate
Git	Intermediate
AWS	Basic

### Paradigms

Test Driven

Async

Object Oriented

Functional

Microservices

Reactive

## Experience

### Software Engineer

Wix December 2018 – Present

As a member of the infrastructure team, I am responsible for developing and testing components in use by many Wix products.

#### Tech Stack

React Redux Node.js MobX Typescript

### Software Engineer

CorAlert July 2017 – November 2018

Designing, Testing & Developing a Cloud Backed IoT application.

#### Tech Stack

React Redux SCSS Node.js MongoDB  
.NET Core C# RabbitMQ Docker AWS

### Software Engineer

CodeValue March 2016 – July 2017

Developing Software Systems and API's, as specified by client stakeholders.

#### Tech Stack

C# .NET MongoDB WPF ReactiveX XUnit

### Teaching Assistant

CodeValue June 2016 – July 2017

Training entry level employees, as part of an introductory .NET course.

Screening candidates by evaluation of assignments

Conducting hands-on coding sessions.
